Azienda Agricola Fiordoliva di Lenzi R.	www.relaisilmargarito.it	L'Azienda Agricola Biologica Fiordoliva, di circa 40 ettari, è appartenuta da sempre alla casata degli Accorretti, antica famiglia di Filottrano, iscritta nell'albo della nobiltà del paese fin dal 1657. La casata degli Accorretti possedeva fin dal XIV secolo terre e casali in varie località delle Marche. Questa azienda di Montefano costituiva un tempo il centro aziendale anche di altri appezzamenti di terreno ed era preferita rispetto ad altri luoghi perché zona di ripopolamento per la caccia. L'attuale proprietario, negli anni passati, ha impiantato un oliveto specializzato biologico di circa 850 piante ed ha poi deciso di interessarsi direttamente all'azienda, stregato dalla bellezza infinita del luogo e dalla magica vista che si gode dalla casa che, spaziando da Filottrano, in una cornice unica della dolce campagna marchigiana, arriva fino a vedere, nelle giornate limpide, i monti Sibillini e addirittura il Gran Sasso. Oltre alla vendita dell'olio biologico e alla degustazione il Relais offre l'acquisto di ceci biologici, shampo e saponi fatti con l'olio essenziale di lavanda estratto dalle 650 piante di lavanda presenti nell'Azienda.
