# ABOUT US

---

Founded in 1886, the Italian Chamber of Commerce and Industry for the UK (ICCIUK) is a private, not-for-profit, membership organisation that represents the local Italian-British business community and promotes business relationships between Italy and the UK. We bring together businesses – ranging from individual entrepreneurs to large corporations – and advance the interests of our members through contacts and interaction with Italian and British government agencies, trade associations and leading international organisations. gave the chance to many students to start a great career in the sector.

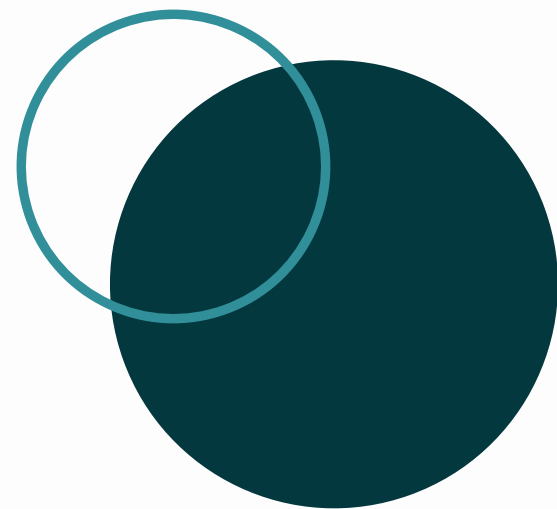

# MAIN PURPOSE

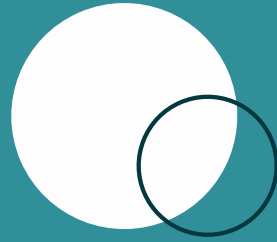

The Hospitality industry is always on the lookout for talented professionals who want to excel and be part of a highly demanding industry on an international level.

This course aims to provide to all participants with the most important qualities and skills required by hotel management.

After these two past difficult years, UK is back requiring staff especially in Hospitality which was deeply affected.

For this reason the Italian Chamber of Commerce has decided to help hotels to find qualified staff to join their team and to help people with right to work in the UK to find their new career.
