LEI Code

What is LEI?

The Legal Entity Identifier (LEI) is a 20-character alphanumeric code based on the international standard ISO 17442, which allows to uniquely identify legal entities (Legal Entities) operating in financial markets around the world.

LEI is mandatory for legal entities that make financial transactions (e.g. trading stock, bonds, warrants, and derivatives) and are subject to reporting requirements (*MiFID II*, *EMIR*).

Who needs it?

LEI code is mandatory for:

- Private and public entities listed in the Business Registry
- Branches of foreign companies
- Investment funds managed by companies listed in the Business Register
- Pension funds
- Other entities such as Public Administrations, Associations, Foundations

It is not mandatory for individuals making financial transactions.
